#### Statement of Progress:

**A. Mission:** The PHA is striving to promote adequate and affordable housing by continuous modernization of units. All of the units contain central heat and air. Laundromats are located on all sites. Eighteen (18) units have been modernized to accommodate persons with disabilities, 504 compliant. Economic opportunities are made available through summer work programs for youth. PHA hire and train residents. PHA partnerships with a literacy program called “Even Start” to assist residents in obtaining GED and increasing skills, which will help individuals toward self sufficiency and economic independence and English proficiency classes for the large number of Spanish speaking residents. The PHA actively supports the local Boys and Girls Club and Christian Outreach. Youth from the PHA are enrolled in the Boys and Girls Club. Christian Outreach distributes food to families in need and assists in locating agencies to help pay utilities and secure furniture and other household items. We are providing a suitable living environment free from discrimination with activities for all residents, clean up campaigns and other projects to promote racial harmony.

PHA modernized units to provide reasonable accommodations for disable persons;
- (ii)** To improve PHAS score and customer satisfaction by increasing unit inspections, efficient work order response and directing staff to be more sensitive to needs and request of residents;
- (iii)** Additional maintenance staff hired and trained;
- (iv)** Increase security by more patrol and additional lighting;
- (v)** Rigorously attempting to rent units and more outreach;
- (vi)** Maintain neighborhood appearance by monitoring site and early detection of problems that impair physical or social environment of development;
- (vii)** Follow eviction procedures of those that repeatedly violate lease; and
- (viii)** Continue to remove abandoned cars.

An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The Authority will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of the Authority.
4. Family obligations
  - a. At least execution or re-examination after October 1, 1999, all adult members (18 or older) of a public housing resident family must
    - 1) Provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
    - 2) Sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in non-renewal of their lease.
  - b. At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the Authority) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.
  - c. If a family member is found to be noncompliant at reexamination, he/she and the Head of Household will sign an agreement with the Authority to make up the deficient hours over the next twelve (12) month period.

this to the Authority. The authority will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

5. Authority obligations

- a. To the greatest extent possible and practicable, the Authority will:
  - 1) provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. ( According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement )
  - 2) provide in-house opportunities for volunteer work or self-sufficiency programs.
- b. The Authority will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
- c. The Authority will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the Authority's Grievance Procedure if they disagree with the Authority's determination.
- d. Noncompliance of family member
  - 1) At least thirty (30) days prior to annual re-examination and/or lease expiration, the Authority will begin reviewing the exempt or non-exempt status and compliance of family members.
  - 2) If the Authority finds a family member to be noncompliant, the Authority will enter into an agreement with the compliant member and the Head of the Household to make up the deficient hours over the next twelve (12) month period.
  - 3) If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit.
